* MEMBER OF MANAGEMENT COUNCIL

1. This membership rota of the Fort Wayne Repeater Association reflects a listing of current membership as of December 25, 1977.
2. ONLY these stations are authorized to utilize the 31/91 autopatch system and the UHF repeater system of this association. Membership is required under all circumstances to take advantage of these specialty services.
3. If your call and name are not listed and you are a user of the WR9ADI communications repeater on 146.76, we would welcome you to submit your membership application and appropriate dues to support these operations.
4. MEMBERS, if you work a station on 146.76 not on this list, invite him to join our repeater Association. Membership application/questionnaire forms are available from any Management Council representative.
5. Any inaccuracies in this list should be promptly reported to the FWRA.
